### 8. Webinar on Research Methodology was organized

A webinar on Research Methodology was conducted by Dr. Shijomon Varghese for the first year and final year undergraduate students of BA English on 04-01-2022. Dr Sneha Elcy Jacob, Head of the Department , welcomed the gathering and Dr. Aleyamma Kuruvilla felicitated the gathering.

## 9. Career Guidance Programs were organized by all departments

Even though various academic activities have been hampered by the Corona Pandemic, Career Guidance and Placement cell conducted various programmes for students. Mentoring with career expert is the flagship project of career Guidance and Placement cell. As per this project, under each subject there will be a career expert who will be the mentor for the students for career related matters. The mentors will be in touch with the students, if any students have career related or placement related queries (Job opportunities in their subjects or subject related competitive examination)the students can directly clarify it with their concerned mentors.

The mentors are selected from different universities in India ranging from University of Delhi, University of Kannur, University of Kerala, Mahatma Gandhi University. Placement Drive was organized by Career Guidance and Placement cell with Educational Gamers Private Limited for the job openings as Content Developer and Content Presenter for their newly developed educational App MY EDGA. The venue for the placement drive is in college campus and students from other colleges participated for the placement drive. The drive is organized in 3 different rounds. For the final round 18 students are shortlisted and 3 students are finally selected.

## 15. Skill Enhancement programme on Brochure Designing was conducted.

Brochures are essential marketing tools, which establish brands and help them cut through the clutter from the competition. A great design will compel your audience to read all about what you're doing.

Department of Physics ST. Thomas College, Ranni organized a brochure designing course using photoshop as a part of skill enhancement program. It was held from 14th November 2021- 17th November 2021 in online platform. Our Alumni Sarath Mohan, was the resource person. Mrs. Anju Joseph, HoD of Physics delivered the welcome speech. Around 38 participants from various colleges, including teaching faculties actively joined the program.

Mr. Sarath Mohan demonstrated how to use photoshop to create a brochure. It was a hands own training program. Throughout the course, he put each concept into context as he steps through the creation of a new course's brochure. He explained how to prepare photos, logos, fine tune texts and adding links etc. Upon wrapping up this course, many of the participants were able create a stylish brochure of their own and got a clear-cut idea about the designing part of a brochure. At the end of the program, Ms. Soumyamol K S, faculty coordinator, Department of Physics gave vote of thanks. The Participants gained an experience in using Adobe Photoshop and were able to design brochures using Adobe Photoshop.

## **REPORT OF PROFESSIONAL DEVELOPMENT PROGRAMMES 2021-22**

The faculties of the College were encouraged to attend Professional Development Programs including Orientations, Refreshers, short-term courses, Faculty Development Programs etc. to improve their skill and become more professional at their work.

It is considered to be very important as the professional development programmes will enable the faculties to discover new teaching strategies and the students get the best learning experiences. In the academic year 2021- 2022, Faculties of the college has attended 15 Professional Development Programs in online and offline modes conducted by various professional institutes and universities. Teachers have also attended about 30 workshops and seminars during the year. In addition to these, IQAC of the college has also organized FDP for Teaching and Non-Teaching staff.
