- Association Inauguration
- Community Extension Program
- Three Days Goa Tour
- Christmas Celebration
- Inauguration of the Research Forum
- National Science Day Celebration
- Technology Awareness Programme for Kudumbasree

Association Inauguration

The Inaugural function of our association of the year 2018-2019 was held on 27nd September 2018 in our seminar Hall. The meeting started with a prayer song.

Our Chief Guest was Dr. JoeJacob, Associate Professor, Department of Physics, Newmann College, Thodupuzha. Dr. M K Suresh, HOD in-charge delivered a warm welcome speech. He introduced our chief guest cited some of his achievements. Our principal Prof. Dr. Lata Marina Varghese presided the meeting. The event was formally inaugurated by lighting of kuthuvilaku by the chief guest in the presence of principal, HOD, students and other staff members of our department. Dr. JoeJacob is an eminent person in the field of Astronomy and Astrophysics. In his inaugural address he tried to motivate our students to come forward to the field of research and advised the students to utilize the association to develop their skills. Also he shared some of his sweet memories about the college and Ranni. The university toppers Anamol B and Greeshma are honored during the function. Association secretary AnirudhShanoj of II DC Physics delivered the Felicitation. This was followed by vote of thanks by Sreevalsa K, Assistant Professor Department of Physics.

After the inaugural meeting Dr. JoeJacob delivered a talk about the Hierarchical Structure in the Universe. The talk was very informative and our students got an opportunity to learn about the Saraswati Super Cluster, and Dr. JoeJacob is one of the discoverers of this Super Cluster.

In the afternoon session, there was an exhibition of a science movie. The program comes to an end at 3.15 p.m. The function was a grand success and ended fruitful for the students

Community Extension Program

As part of our Community extension Program, the Final Year Degree Students of our Department guide the Higher Secondary Students from Citadal School Ranni to complete their project work. The Session is conducted on 5th October 2018.

Three Days Goa Tour

The Department organized a Three Days Goa Tour for final year B.Sc. students. Around 23 students and two teaching staff (Dr. Suresh M K & Sreevalsa K) were part of this tour which is commenced on 13th December 2018 and lasted till 16th December 2018. The team visited Indian Naval Aviation Museum, Basilica of Bom Jesus, Shri MahalasaNarayani's Temple, Dona Paula, and various beaches in Goa. Tour gave students a refreshing adventurous nostalgic and tremendous learning experience.

Christmas Celebration

The Christmas Celebration of our Department was conducted on 21st December 2018. The HOD cut the cake and delivered the message. Dr. M K Suresh, Assistant professor, Department of Physics also delivered a speech to the students. The cultural activities are arranged on the function
